Medicaid Providers Must Re-enroll

As the result of a new federal regulation, all Texas Medicaid providers must periodically revalidate their enrollment in the program. **To comply with this mandate, any Texas Medicaid provider, including School Health and Related Services (SHARS) providers, enrolled before January 1, 2013 must be fully re-enrolled by March 24, 2016.** To be considered fully re-enrolled, providers must submit a completed re-enrollment application and receive verification from Texas Medicaid and Healthcare Partnership (TMHP) that their application has been approved. To allow sufficient time for re-enrollment application processing, providers are encouraged to begin this process as soon as possible.

- For details on navigating the online re-enrollment application, please refer to the Provider Enrollment Electronic Signature Instructions at http://www.tmhp.com/TMHP_File_Library/Enrollment%20and%20reenrollment/Provider%20Enrollment%20Electronic%20Signature%20Instructions.pdf.
- For additional guidance on re-enrollment, please visit the TMHP Provider Re-enrollment page (<http://www.tmhp.com/Pages/Topics/ACA.aspx>).
- For assistance re-enrolling, contact a TMHP provider enrollment representative at 1-800-925-9126, Option 2, or attend one of the town hall meetings on federally mandated re-enrollment being held in various locations around the state. Town hall meeting information can be found at http://www.tmhp.com/Pages/Education/Ed_Reg.aspx.
